

Rental Information

Venue Description

DanceWorks Studio is an elegant, contemporary space located in the heart of downtown Redmond. Our unique facility features warm inviting seating areas, two professional grade dance floors totaling over 1850 square feet, and a state of the art sound system. Our studio is perfect for any type of reception, corporate event, birthday, anniversary, engagement or holiday party.

Group Dance Lessons

For an especially unique event we also offer group dance lessons for you and your guests— ballroom, salsa, swing, you name it! We have done everything from providing salsa lessons for a regular gathering of 8 friends to providing a waltz lesson for a wedding reception of 150.

Room configuration

The main event space has a 1250 square foot dance floor with 930 square feet of tiered seating overlooking the dance floor. The seating in this area includes cocktail tables and chairs, bar height tables and chairs, a couch, and two club chairs.

The entire facility is equipped with a dimmer switch lighting system that gives you a multitude of lighting options to set the right mood.

There is an additional 615 square foot event space (our dance classroom) that has a wall-to-wall dance floor. This space is separately enclosed, but can feel open to the main space via double french doors and windows linking it to the main space and the reception area.

The reception area has cushioned seating, and closet for coat storage.

The reception area desk and consoles are fixed, but you are otherwise welcome to move around available furnishings. And of course you are welcome to bring in your own tables, chairs, or other furnishings.

Equipment Details

The space has two professional sound systems. The sound systems for the main dance floor and the classroom spaces can be used independently, or linked together for contiguous sound throughout the entire space.

DanceWorks staff will be onsite for the length of your rental if you require assistance with any of the equipment.

Note that there is not a full kitchen on site, but a full size refrigerator and microwave are available in the staff room.

Catering

You are welcome to bring in your own caterer. We do not provide catering services nor do we require you to use a particular caterer.

Parking

There is free and plentiful parking in the adjoining lots. The front lot has spaces marked for DanceWorks.

Contact Information

To reserve space for your event, contact DanceWorks Studio manager Scott Franklin at 425.869.7595, or at info@danceworksstudio.com.
